

BLISS

MALTA'S LEADING WEDDINGS AND HOMES MAGAZINE

Bliss Magazine is by far the largest and leading weddings and homes magazine in Malta, providing inspiration and guidance to couples preparing for their wedding and setting up their new home. What make Bliss stand out are its high-end design, unparalleled distribution network and its creative and varied content: from features showcasing real-life weddings to interviews with couples in their homes, as well as honeymoon experiences and the latest trends.

Published by Content House Group, Malta's leading publisher in the print and online sectors, and edited by journalist Sarah Micallef, Bliss has become a household name and a source of inspiration for couples preparing for their big day. Bliss is printed with the highest printing specifications in the industry including hotfoils on cover and lamination on cover, and it is perfect bound.

PREMIUM DISTRIBUTION NETWORK

Published in Spring, Summer and Winter, Bliss has a unique distribution network that makes it by far the most visible weddings and homes magazine in Malta. Our distribution network includes an extensive list of distribution points across an ambitious premium distribution network that is bespoke for Bliss Magazine. This premium distribution network includes:

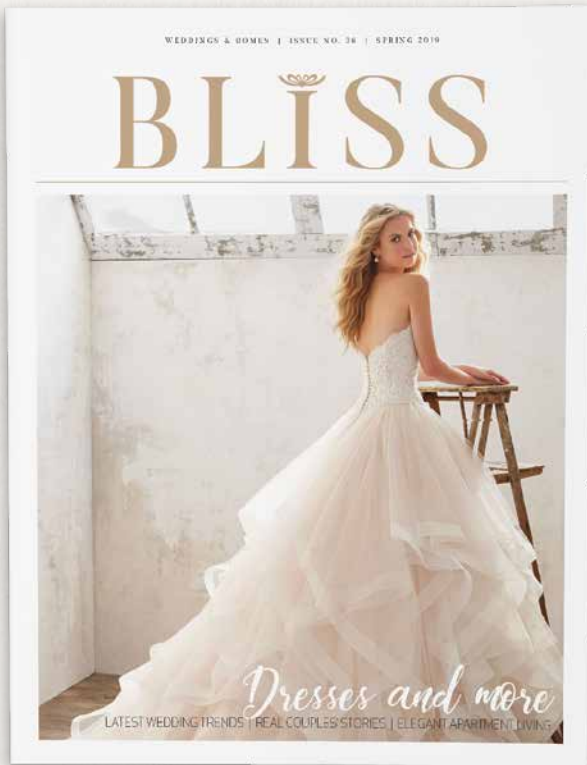

- All couples preparing for their wedding and attending wedding courses in towns and villages across Malta and Gozo through a premium agreement with Ta' Cana Movement, that provides guaranteed distribution to all couples attending wedding courses.
- All leading bridal shops as well as outlets that offer wedding-related products and/or services to couples
- All hair salons in Malta
- All leading beauticians and beauty salons around Malta
- All leading cafeterias
- All dentists and dentistry clinics
- All public and private hospitals
- All medical clinics
- Available at leading stationers around Malta and Gozo including Agenda Bookshops, WH Smith and 8 Till Late.

ESTIMATED REACH: 60,000 ANNUALLY (20,000 PER EDITION)

This figure is based on long-term assessments of various distribution models, both single and multiplier distribution points, where Bliss can be accessed or seen by potential readers.
